

House features:

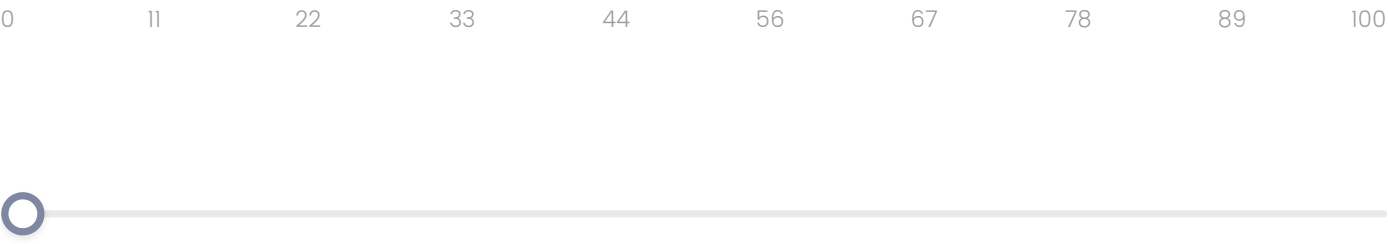

- 1. Quality of Construction: 5 out of 10 (10 is the best score)
- 2. House Age: 53 years
- 3. Location: 1 out of 4 (4 is the best score)
- 4. Kitchen Quality: Not good
- 5. Fireplaces: 0
- 6. Central Air Conditioning: Available

The decision aid predicts that this house has a **low** price range. **Using the below evidence of this prediction, assign the likelihood for each option (Low, Medium, High) where 100 is the most likely, 0 is the least likely. Please total the choices to 100. You will not be able to continue unless you do so.**

- ☐ Low
- ☐ Medium
- ☐ High

How confident are you in your choice? (100: most confident, 0: not confident at all)

Can you please explain why you selected this option?
